DRIVING DIRECTIONS TO ENSENADA

From North (San Diego/Tijuana)

Take the 5 or 805 freeway south to the U.S. - Mexico border (San Ysidro crossing). Both freeways end at the border so take your pick. After crossing the border, stay in the second lane from the right. Follow the signs that say "Rosarito Beach, Ensenada Scenic Route". This road will take you along the Mexico/U.S. border

As you come to the top of the hill, move into the right lane. At the bottom of that hill the road will fork Left and Right, take the fork to the right. It is marked with arrows Rosarito/Ensenada/Ensenada Cuota. (Cuota stand for the Toll Road). There are three tollbooths in total. The first toll booth is just past the Tijuana Playas off ramp. Second is about 15 miles south just passing the last Rosarito Beach off-ramp. The third and end of the toll-road is at San Miguel. After you pass the last toll booth it's about six miles to Ensenada proper. About one mile before you get there you'll come to a fork in the road, stay to the "right" and this will take you in the front end of town. At the first signal, you will be on Boulevard Costero. The drive is about 1 1/2 hours once you cross the border.

From East (San Diego/Tecate)

- Take I-805 to Hwy 94 East. Follow Route #3 South toward Ensenada.
